PROCEDURE	SUBJECT:		
RS-42	ADVANCED REPLACEMENT FEE (ARF)		
DESCRIPTION AND USE:			
THIS PROCEDURE IS PROVIDED TO ASSIST TAX COLLECTOR EMPLOYEES, LICENSE PLATE AGENCY EMPLOYEES AND THE DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES IN PROVIDING INFORMATION AND INSTRUCTIONS FOR THE ADVANCED REPLACEMENT FEE REQUIRED TO REPLACE A METAL LICENSE PLATE AFTER A 10 YEAR PERIOD.			
<p>I. PROVISIONS OF LAW:</p> <p>Section 320.06(1)(b), Florida Statutes, requires that license plates be replaced every ten years upon renewal for a fee of \$28. This fee is collected in increments of \$2.80 over a 10 year period. Each \$2.80 shall be credited to the next \$28 replacement fee. The fee shall be deposited into the Highway Safety Operating Trust Fund. A credit or refund of this fee shall not be given for any prior years' payments when the plate is replaced or surrendered voluntarily before the end of the 10 year period. However, a credit may be given when a registrant is required by the department to replace a license plate under section 320.08056(8)(a), Florida Statutes.</p> <p>II. ORIGINAL ISSUANCE OF A LICENSE PLATE:</p> <p>When a license plate is issued for the first time, \$30.80 must be charged, \$28 for the metal plate that is being issued and \$2.80 for the advanced replacement fee toward the next 10 year replacement. In cases where an annual registration is being charged, a \$2.80 fee will be collected. If a biennial registration is being charged, a \$5.60 fee will be collected.</p> <p>III. RENEWAL OF LICENSE PLATES:</p> <p>On each license plate renewal transaction \$2.80 ARF is assessed and collected. A record will be retained on the data base of the Advanced Registration Fee (ARF).</p> <p>IV. FORCED 10 YEAR REPLACEMENT PLATES:</p> <p>A Florida metal license plate is required to be replaced every ten years. The 10 year replacement date is based on the date the license plate was issued. When a license plate is replaced, credit will be allowed from the accumulated advanced replacement fees. Credit may be given if the customer chooses a different tag type (specialty and/or personalized) at the forced 10 year replacement time.</p>			
Revision(s) to this procedure: Updated entire procedure with the updated fee of \$28 for a license plate and changed the 6 year replacement to 10.
