PROCEDURE RS-44	SUBJECT: AGRICULTURAL (RESTRICTED), HORTICULTURAL (RESTRICTED) OR GOAT LICENSE PLATES
DESCRIPTION AND USE: THIS PROCEDURE PROVIDES INFORMATION AND INSTRUCTIONS TO ASSIST TAX COLLECTOR EMPLOYEES, LICENSE PLATE AGENTS AND THE DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES FOR ISSUING LICENSE PLATES FOR TRUCK-TRACTORS AND HEAVY TRUCKS USED EXCLUSIVELY TO HAUL AGRICULTURAL OR HORTICULTURAL PRODUCTS OR TO TRANSPORT CROPS OR EQUIPMENT ON FARMS.	
<p>I. PROVISIONS OF LAW:</p> <p><u>Section 320.08(3)(d), Florida Statutes</u>, provides for a special registration class for a truck defined as a "goat," or any other vehicle if used in the field by a farmer or in the woods to harvest a crop, including naval stores, during such harvesting operations, and which is not principally operated upon the roads of the state. A "goat" is designed, constructed, and mainly used to transport citrus fruit within citrus groves or crops on farms. A "goat" vehicle can also be used to haul associated equipment or supplies, including required sanitary equipment, and to tow farm trailers.</p> <p><u>Section 320.08(4)(n), Florida Statutes</u>, provides for a special registration class for a truck tractor or heavy truck, not operated as a for-hire vehicle, which is engaged exclusively in transporting raw, unprocessed and nonmanufactured agricultural or horticultural products within the state or a 150-mile radius of the vehicle's home address. Such a vehicle is eligible for a restricted license plate upon payment of the necessary fee if:</p> <ol style="list-style-type: none"> A. The vehicle's declared gross vehicle weight is less than 44,000 pounds; B. The vehicle's declared gross vehicle weight is 44,000 pounds or more and it only transports from the point of production to: <ol style="list-style-type: none"> 1. The point of primary manufacture; 2. The point of assembling the same or 3. A shipping point of a rail, water or motor transportation company. <p>This section also allows these not-for-hire truck tractors and heavy trucks that are used exclusively to transport raw, unprocessed, and nonmanufactured agricultural or horticultural products to be used incidentally to haul farm implements and fertilizers when delivered direct to the growers. As it is used in this paragraph, "not-for-hire" means the owner of the motor vehicle must also be the owner of the raw unprocessed, and nonmanufactured agricultural or horticultural product, or the user of the farm implements and fertilizer being delivered.</p>	
<i>Revision(s) to this procedure: Conducted statutory review, added Historical Revisions section, added links to statutes, and removed all Notes. Changed applicant to customer, updated section VI with information for reporting a license plate or decal as stolen to law enforcement.</i>

PROCEDURE # RS-44	SUBJECT: AGRICULTURAL (RESTRICTED), HORTICULTURAL (RESTRICTED) OR GOAT LICENSE PLATES
---------------------------------	--

II. DEFINITIONS:

The following definitions and terms apply to the issuance and use of agricultural or horticultural license plates:

- A. "Agricultural products" means any food product; any agricultural, horticultural, or livestock product, including livestock; any raw material used in plant food formulation; or any plant food used to produce food and fiber.
- B. "Point of Production" means the initial point of harvest, collection, or gathering of agricultural products.
- C. "Transporting" means the initial hauling or initial transportation by truck tractor or heavy truck of agricultural products from the point of production to another location for primary manufacture, assembling, or to a shipping point.
- D. "Home Address" means the address as recorded on form HSMV 82041 Application for Vehicle/Vessel Certificate of Title and/or Registration or the Vehicle/Vessel Registration Certificate.
- E. "Not-for-hire" means the owner of the motor vehicle must also be the owner of the raw, unprocessed, and nonmanufactured agricultural or horticultural product, or the owner of the livestock or livestock product, or the user of the farm implements and fertilizer being delivered.
- F. "Goat" means a motor vehicle designed, constructed and used principally for the transportation of citrus fruit within citrus groves or for transportation of crops on farms, which can also be used for the hauling of associated equipment or supplies, including required sanitary equipment, and towing of farm trailers.
- G. "Gross vehicle weight" (GVW) means:
 - 1. For heavy trucks with a net weight of more than 5,000 pounds, but less than 8,000 pounds, the gross weight of the heavy truck. The gross vehicle weight is calculated by adding the net weight of the heavy truck and the maximum weight of any load that may be carried by it, which is the maximum gross weight as declared by the owner or person applying for registration.
 - 2. For heavy trucks with a net weight of 8,000 pounds or more, the gross weight of the heavy truck, includes the gross weight of any trailer coupled thereto. The gross vehicle weight is calculated by adding the gross weight of the heavy truck and the gross weight of the trailer, which is the maximum gross weight as declared by the owner or person applying for registration.
 - 3. The gross weight of a truck tractor and semi trailer combination is calculated by adding to the net weight of the truck tractor the gross weight of the semi trailer, which is the maximum gross weight as declared by the owner or person applying for registration; such vehicles are together by means of fifth-wheel arrangement whereby part of the weight of the semi trailer and load rests upon the truck tractor.Refer to [RS-45](#) Exhibit A for tips for declaring gross vehicle weight (GVW).
