If the application includes a copy of the police report prepared in response to a report of a stolen decal, such decal shall be replaced at no charge.

- **Section 328.48(7), Florida Statutes** states that any decal lost in the mail may be replaced at no charge. The service charge shall not be applied to this replacement; however, the application for a replacement shall contain a statement of such fact, the decal number and the date issued.

- **Section 328.72(5), Florida Statutes**, provides that a decal may be issued to replace a lost or misplaced decal by submitting $2.25 with a request from (by the registered owner or an appointed representative) for such replacement decal to a county tax collector’s office.

**A.** The completed application should be retained by the tax collector’s office or license plate agency for a period of 12 months.

**B.** When issuing a replacement decal, process the transaction as a registration replacement decal. The vessel owner should either turn in the old registration certificate or check the appropriate block on the HSMV 87015 indicating why the original certificate of registration is not available.
