**DESCRIPTION AND USE:**  
This procedure is provided to assist employees of tax collector offices and the Department of Highway Safety and Motor Vehicles in properly issuing a certificate of title to owners of vessels purchased at a sheriff’s sale.

I. **PROVISIONS OF LAW:**  
Section 328.01(3) (b), Florida Statutes, provides for transfer of ownership of a vessel by operation of law.

II. **DOCUMENTATION REQUIRED AND SPECIAL INSTRUCTIONS:**

  **A Writ of Execution** is an order or judgement made by a court which directs and authorizes the sheriff to carry out the order or judgement by seizing the debtor's property to pay a court-decided debt, usually by holding a public sale.

  After the property has been seized and sold at public sale, submit the following documents to the tax collector's office to be screened for completeness and accuracy:

  A. **If the vessel is CURRENTLY TITLED IN FLORIDA:**

     1. A form HSMV 82040, Application for Certificate of Title with/without Registration, or HSMV 82041, Application for Vehicle/Vessel Certificate of Title and/or Registration, accurately completed by the applicant(s).

     2. The original bill of sale from the sheriff to the purchaser(s) showing the selling price and a complete description of the vessel.

     3. A photocopy of the Writ of Execution.

     4. Lien satisfaction(s) for any liens, as shown on the motor vehicle records of this or any other state, if applicable, unless the Writ of Execution specifies all prior recorded lien(s) are to be satisfied.

     **NOTE:** If a prior lien is to be carried forward or transferred to the new purchaser, submit an affidavit or statement on letterhead stationary from the lienholder verifying that fact.
